INTRODUCTION:

VERSE 1:

You play to my hell; and you play to my love,
You calm me down; you make me push and shove
All I wanna do is to rock with you

VERSE 2:

You're the engine room, of the beat that's free,
Your siren sounds, you're gonna rescue me
All I wanna do is to rock with you.

CHORUS:

Smooth as honey, you're a jungle vine
On a dusty track with a friend of mine
Red thunder rolling, at a 100 miles
You're the star on the stage, I'm the light in the isles
A crusty sound like old hotel
Sweating the tunes that I know so well.
All I wanna do is to rock with you

SOLO:

BRIDGE:

A candescent mountain on a heaving ocean
Hands reaching out to you reaching out to you

VERSE 3:

Wrapping my fingers on your window pane
Come out and play I'm standing dry in the rain
All I wanna do is to rock with you

CHORUS:

Smooth as honey, you're a jungle vine
On a dusty track with a friend of mine
Red thunder rolling at a 100 miles
You're the star on the stage, I'm the light in the isles
A crusty sound like old hotel
Sweating the tunes that I know so well.
All I wanna do is to rock with you

OUTRO:

I wanna rock with you
I wanna rock with you
I wanna rock with you
I wanna rock with you
