## INTRODUCTION:

### VERSE 1:

From Pandalowie to the Nullarbor  
Cactus waves I'd never seen before  
My EH was my home the surf my friend.

### VERSE 2:

From the shed to the stage, the bands were raw  
The greatest rock I'd never heard before  
Chisel, Rudd, Daddy Cool you were my friends.

### REFRAIN 1:

In the summer of seventy five  
We lived our lives in overdrive  
Campfires on the beach till morning light.

## GUITAR SOLO:

### VERSE 3:

My tangled hair stung by the sun  
The panel vans lines up for fun  
Moana silver sands you were my friends

### VERSE 4:

When mates of mine were mates I knew,  
Guitar and keys, played a gig or two  
Countdown came alive, it would never end

### REFRAIN 2:

In the summer of seventy five  
We lived our lives in overdrive  
Campfires on the beach till morning light.
