## INTRODUCTION:

### VERSE 1:

Shattered glass shatter lives, you hear the sorry you compromise  
A superman he's standing tall, and they don't see him,  
When you fall to the ground, behind closed doors, there is no sound  
If he loved you, like he said, he wouldn't bruise you

### VERSE 2:

If you can't tell if you can't say, what happens when we go away  
Then it's not alright it's not ok, Reach out there is a way 'cause you're not to blame  
You can break free there is no shame, You're braver than you believe, you can choose you

### REFRAIN 1:

Dare to believe and you'll be unstoppable, and if it is right, then it's not impossible  
Dare to believe and you'll be unstoppable, and if it is right, then it's not impossible

### VERSE 3:

A good love, is warm and kind, Allows you to speak your mind  
A safe love, has no fears, Creates a life, with no tears  
So you can be free, to be the woman you want to be,  
He's a magician, he has tricks, and he'll confuse you

### BRIDGE:

You're braver than, braver than you believe; you're braver than, braver than you believe  
You're braver than, braver than you believe; you're braver than, braver than you believe  
You're braver than, braver than you believe; you're braver than, braver than you believe  
You're braver than you believe
