INTRODUCTION:

VERSE 1:

Will you still love me when I change?
Will you walk with me when my life is rearranged?
Hold my hand, see it feels the same
Dry your eyes, no ones to blame

VERSE 2:

The reflection that I see I just don't feel
I disconnect, it's not me It's just not real
I'm alone now I release my cage
My body's calm, there's no more rage

VERSE 3:

The ribbons and the lace the shiny shoes
Please play with me I'm ok, I'm just confused
Please understand,
See the woman I've always been, I'm not a man

VERSE 4:

I know you grieve for the life we had
You've lost your, son you've lost your brother, you've lost your dad
But come closer, and you'll see
I'm here like before but now I'm fee

OUTRO:

Will you still love me when I change?
Will you walk with me when my life is rearranged?
Will you still love me, when I change?
Will you walk with me when my life is rearranged?
Will you still love me, when I change?
