INTRODUCTION:

VERSE 1:

He smiled and you believed him; you let him change your mind
He promised crystal feelings Just to have a good time
You thought that you were neon, when you let him inside
But when we looked into your blackened eyes, we saw Mr. Hyde yeh we saw Mr. Hyde

CHORUS 1:

You slayed the dragon, you didn't see, you couldn't feel..the diamonds in the sky, well man they just not real
You walked the tight rope; for the last time....
Oh you were out of your mind, oh you were out of your mind, oh you were out of your mind

VERSE 2:

The crawling and the screaming, you're in the danger zone
You're empty, there's no feeling; well there's a monster in our home
Just one more time well you promised; "Oh I wanna' have some fun"
The lies and the cries, you destroyed our lives,
You didn't see what you had become; you didn't see what you had become

CHORUS 2:

You slayed the dragon, you didn't see, you couldn't feel, Your diamonds in the sky, well man they just not real
You walked the tight rope; for the last time
Oh you were out of your mind, oh you were out of your mind, oh you were out of your mind,

SOLO:

BRIDGE:

You weren't the same, there's nothing left of you...He took your soul, took the very best of you
He took the wheel; he took you for a ride...Wish I had stopped the mad; I wish I had stopped Mr. Hyde
'cause you were out of your mind, Oh you were out of your mind, Oh you were out of your mind

VERSE 3:

Stardust is your potion, to get rid of what's inside
But the more you take well you will lock the gate, and you will live with Mr. Hyde.. you will live with Mr. Hyde

CHORUS 3:

You slayed the dragon, you didn't see, you couldn't feel...your diamonds in the sky, well they weren't real
You turned the barrel; for the very last time
Oh you were out of your mind, oh you were out of your mind, oh you were out of your mind

OUTRO:

Oh you were out of your mind, oh you were out of your mind, oh you were out of your mind
Like staring at a stone, you ask why? oh you ask why? oh you ask why? oh you ask why?
