INTRODUCTION:

VERSE 1:

Listen and face the voice inside, it's tellin you something
Speaking truth, it doesn't compromise, it's tellin you something.
Too soon, you're too scared to feel brand new, I know how you're feeling.
There's a life, a new life just waiting for you, cos I know how you're feeling.

CHORUS 1:

And you will find your way home.
And you will find your way home

VERSE 2:

Listen and face the voice inside, it's tellin you something
Speaking truth, it doesn't compromise, it's tellin you something.
You deserve, it's ok to feel brand new, I know how you're feeling
I was afraid; I was trapped just like you, so let's start healing

BRIDGE:

You gotta shift the axis of your world - it's not hard.
You gotta shift the axis of your world - don't be scared now
You gotta shift the axis of your world - just take that step
You gotta shift the axis of your world.

CHORUS 1:

And you will find your way home.
And you will find your way home.
