INTRODUCTION:

VERSE 01:

Adnyamathanha McKenzie's
You welcomed us to country
Told the Feds to get out of town
Told the Feds to get out of town

You know how to stand your ground
Told the Feds to get out of town
Told the Feds to get out of town
Told the Feds to get out of town

VERSE 02:

Sisters called McKenzies
Your love, your heart, your country
No you can't mess these girls around
You can't mess these girls around

Standing sacred ground
You can't mess these girls around
You can't mess these girls around
You can't mess these girls around

BRIDGE:

Adnyamathanha it's their home,
Feel the rumble, of ancient stone,

Drenched in a million crimson horizons
It's not yours to take, so leave well alone

SOLO:

VERSE 03:

You tried to bribe McKenzies,
But money can't buy their spirits,
Money can't buy their souls
Money can't buy their souls

You thought you had control
Money can't buy their souls
Money can't buy their souls
Money can't buy their souls
