## **INTRO:**

## **VERSE 01:**

It's good to be home. But that was just a lie  
Missed calls on the phone I just wanna say goodbye  
Did some things spread my wings and they taught me to fly  
And they taught me to fly  
And they taught me to fly

## **CHORUS 01:**

Grass stuck in my boots  
My mind is startin' to bruise  
Gotta get out back, I got the spinifex blues.

## **VERSE 02:**

Time stood still I need clear vision  
Now I'm back in this place I feel the tug the collision  
There's a better place and it's in my rear vision  
Time to make a decision  
It's in my rear vision

## **CHORUS 02:**

Grass stuck in my boots      My mind is startin' to bruise  
Gotta get out back, I got the spinifex blues.

## **SOLO:**

## **BRIDGE:**

I got my Gold it's gotta shine got to guard it all the time, Yeh I'm livin' a lie  
Got my Gold it's gotta shine I gotta guard it all the time  
Got my Gold it's gotta shine gotta guard it all the time

## **VERSE 03:**

Time stood still; I need clear vision      Now I'm back in this place I feel the tug the collision  
Well there's another place and it's in my rear vision; Time to make a decision; Oh it's in my rear vision
