You were out of your mind, For the very last time, You were out of your mind.

## VERSE 2:

The crawling and the screaming, You're in the danger zone, You're empty, there's no feeling There's a monster in our home. Just one more time your promised "I just wanna have some fun." The lies, the cries, you destroyed our lives, Didn't see what you'd become

## CHORUS 2:

You slayed the dragon, You didn't see, couldn't feel, The diamonds in the sky, Well they weren't real. You turned the barrel for the last time You were out of your mind, For the very last time, You were out of your mind
