| E /// | E /// | E /// | E /// | D /// |  
I know you never had the chance, To ignite the light you have inside you,  
| D /// | D /// | D /// |  
See you shining; you only had dust and dreams.  
| E /// | E /// | E /// | E /// | D /// |  
We put an end to your story lines, Now no direction, empty horizons,  
| D /// | D /// | D /// |  
and collisions, you only had dust and dreams

Warraitya Tangkuinyanthi I felt the thud of your feet on the dust

Warraitya Tangkuinyanthi, Can I, can I dance with you and share your dreams.

## VERSE 2:

We said we knew what was best for you, Took your freedom, gave you prisons,  
Bad decisions. You only had dust and dreams.  
Sanding still in a no-man's land, Between the dreaming and the bleeding,  
Still believing, In your dust and dreams.

## CHORUS 2:

Warraitya Tangkuinyanthi I felt the thud of your feet on the dust  
Warraitya Tangkuinyanthi I'm in a trance and willing to trust,  
Warraitya Tangkuinyanthi Can I, can I dance with you and share your dreams.

## BRIDGE:

| Bm /// | Bm /// | Bm /// | Bm /// |  
I saw you dance and you took my breath away, You are the dust and I saw you drift away,  
| D /// | D /// | D /// | D /// |  
Felt the rush when I heard your ancient sound, Felt the hush from the sky right to the ground.
